Thus far our boys have won 6 games while dropping 12. Only two veterans were back from last year's team and this definitely was a rebuilding year for the Indians. Next year we have all but two boys back, and with this experience Chester should have one of the toughest teams in Wells County. We are all anxiously awaiting next year.

Congratulations
to

DONALD FREDRICK OSWALT

. . . for the fine art work that is displayed on our Annual. Without his artistic touch, our War Whoop would have failed to reach an attractive outcome!

Thanks Don,
